Fresh from yelling their heart out in a cafe-turned-bar as Highball Media's Denise Savage. 9 years of onstage experience. Sole creator of a satire skit TikTok account with 500k followers. Quirky but focused. Unapologetically androgynous. Can deliver lines with a playful sting and a fiery glare but can also dial it back to their usual quiet and introspective disposition. Alluring eyes and warm smile. Bends over backwards to fulfill a creative vision, the more outlandish the better. Loves to experiment.
